

Sample Tobacco-Free Church Grounds Policy

_____ commits to implementing a Tobacco-Free Church Grounds Policy for the overall health and welfare of its members. Tobacco use will not be permitted within church buildings or anywhere on church grounds. This policy applies to all employees, members, and visitors attending events at the church. As a church we will also work to provide information about the risks of tobacco use and benefits of quitting to all church members.

_____ will take the following steps to ensure successful support of the Tobacco-Free Church Grounds Policy:

- 1. Post signs in highly visible areas inside and outside of the building, including the sanctuary, parking lot, and lawn areas.**
- 2. Provide tobacco education literature and materials to church employees, members, and visitors.**
- 3. Continue to remind members about the Tobacco-Free Church Grounds Policy during announcements and in the church bulletin.**
